HUFFPOST ARTS & CULTURE

On the Sunny Lower East Side

Even the “unmarked,” alleyway entrance to Freemans felt sunny...

Mika Tajima at Eleven Rivington (left), and Margaret Lee at Jack Hanley

Margaret Lee: closer to right than wrong/closer to wrong than right
Jack Hanley Gallery
327 Broome Street, New York, NY
Hours: Wed-Sat, 11-6

Margaret Lee totally nails minimalist kitsch with her witty, bone-white stage composed of ghosts of Modernist furniture and Brancusi's Endless Column all covered in Dalmatian-like polka dots. No rainclouds here!
